Four of Madame Chiang Kai-shek's landscape paintings was reproduced in miniature on a set of stamps released on October 31, 1975, the 89th birthday of the President Chiang Kai-shek.

President Chiang, who passed away April 5, was deeply interested in his wife's paintings. He wrote the forewords to four published albums of her work. Critics have placed her work in the forefront of Chinese painting today.

The four stamps—printed in full color by the deep etch offset process—are in denominations of NT\$2, 5, 8 and 10 with the theme of paintings "Lotus Pond with Willows", "Sun Breaks through Mountain Clouds", "A Pair of Pine Trees" and "Fishing in a Pond".
