LIEUTENANCY 1860: wrapper on "L'Omnibus" newspaper nr.121 of December, 25th 1860 (Christmas Day), addressed to Baronissi, franked with "Croce di Savoia" ½ tornese blue (*pos.99 of the Emilio Diena and the De Angelis-Pecchi classifications*); canceled with the framed "ANNULLATO" postmark with the red circle imprint "PARTENZA DA NAPOLI 25 DIC 1860" next to it (Sass.16).

I have examined the piece described above, of which I have combined a photographic reproduction to this certificate. According to my knowledge, the newspaper - *regularly franked at the print rate for each newspaper or up to 20 grams in weight* - is original, has original period postmarks and the rare stamp has large margins and is perfect. I signed it.*****
