Milan, April 20<sup>th</sup> 2024

**NEAPOLITAN PROVINCES:** wrapper on "L'Omnibus" newspaper nr.21 of February, 16<sup>th</sup> 1861, addressed to Baronissi, franked with ½ tornese yellow green; canceled with the framed "ANNULLATO" postmark with the red circle imprint "PARTENZA DA NAPOLI 16 FEB 1861" (*third day of use of this issue*) next to it (Sass.17e).

I have examined the piece described above, of which I have combined a photographic reproduction to this certificate. According to my knowledge, the newspaper – *regularly franked at the print rate for each newspaper for up to 20 grams in weight* - is original, has original period postmarks and the stamp is perfect. I signed it. \*\*\*\*\*
