A large, dense collection of vintage postage stamps is scattered across a dark green background. The stamps are from various countries, including France, Poland, and the Soviet Union. They feature diverse designs, such as portraits of historical figures, landscapes, and allegorical scenes. Denominations are visible on many stamps, ranging from 10 to 500. Some stamps are cancelled with circular postmarks, while others are blank or partially obscured. The collection is a mix of colors and sizes, creating a vibrant and textured display.

A large collection of vintage postage stamps is scattered across a dark green background. The stamps are from various countries, including Romania, Austria, Argentina, and France. They feature diverse designs, such as portraits of historical figures, religious scenes, and national symbols. The stamps are in various colors, including blue, red, green, and yellow, and some are cancelled with postmarks. The collection is dense and overlapping, showcasing a wide variety of philatelic items.

A large collection of various postage stamps is scattered on a dark green background. The stamps are from different countries, including Switzerland (Helvetia), Germany (Deutsche Bundespost), and others. Some stamps are cancelled with circular postmarks. The denominations and designs vary, featuring landscapes, portraits, and symbolic figures. Notable stamps include a large purple 60-cent Swiss stamp, a blue 10-cent German stamp, and a red 2-cent Swiss stamp. The stamps are arranged in a loose, circular pattern, with some overlapping.
