A large collection of Austrian postage stamps is displayed on a dark background. The stamps are arranged in a grid-like fashion, overlapping slightly. They feature various designs, including portraits of historical figures, commemorative events, and symbolic imagery. The denominations of the stamps are visible, ranging from 2 to 100 Schilling. The stamps are printed in various colors, including red, blue, green, and yellow. The text on the stamps is in German, and the word 'REPUBLIK ÖSTERREICH' is prominently displayed on many of them. The collection includes stamps from the 19th, 20th, and 21st centuries, covering a wide range of Austrian history and culture.
