OLANDA
2001

The image displays a collection of Dutch postage stamps from the year 2001, arranged in three rows on a white background. The top row features a single stamp with a portrait of a woman and a value of €0.39, followed by a larger, colorful abstract stamp with a value of €0.85. The middle row consists of seven stamps, each with a value of €0.27, depicting various scenes including a Christmas tree, a person, and abstract designs. The bottom row also contains seven stamps, each with a value of €0.27, showing different themes such as a person, a house, and abstract patterns. The stamps are arranged in a way that suggests they are being presented for sale or collection.
