REPUBBLICA DI SAN MARINO

Le grandi industrie
automobilistiche.

Fondata nel 1899 dal pioniere dell'ingegneria automobilistica August Horch, Audi esprime ancora oggi il suo spirito innovatore creando auto sempre più leggere, più resistenti e più attente all'ambiente.

I modelli Audi, dai più classici ai più sportivi, coniugano la grande potenza nelle prestazioni con un design dinamico ma non aggressivo. Nei suoi primi 100 anni di vita, Audi ha caratterizzato in modo decisivo il corso dello sviluppo dell'automobile, ma non si ferma qui. Va oltre perché, da sempre, Audi è all'avanguardia della tecnica.

Partecipando al concorso oggi, puoi vincere un'Audi A3 domani.
Spedisci questo coupon all'Azienda Autonoma di Stato Filatelica e Numismatica, Casella Postale 1 - 47890 Repubblica di San Marino, entro il 31 luglio 2000: in ottobre parteciperai all'estrazione di un'Audi A3 che verrà consegnata al vincitore entro la primavera del 2001.
