Dear Sir,  
 When we were talking some months since about  
 Mr. McDonough's affairs, I thought it was settled that one had of us  
 receiving the rent of Mr. McDonough's estate in satisfaction of the interest  
 on the 2500£ which, formerly belonged to Mr. Carow, but now is  
 the property of Mr. McDonough, was she? take this and with  
 the other, I pay us our interest, according to the terms of  
 the deed of composition - I wish to know how this has  
 been done, as this is now as your interest does Mr.  
 McDonough, & he is paying me for the bearing -  
 You should also bear in mind that about this time  
 of the year, the premium on the policy for the insurance  
 of Mr. McDonough's ship is payable -

Yours very truly  
 John Carow

My dear Sir.

Walter. v. Gale.

I have given this case every con-  
-sideration in my power since I received it  
from your clerk this morning, and, under all  
the circumstances of it, I cannot recommend  
you serving a declaration in Ejectment to-  
morrow - I fear it would be a hazardous  
experiment - I will give the case what  
further consideration I can and let you  
have it by Wednesday morning's mail at the  
latest, and accompany it by a declaration in  
Ejectment should I be of opinion that such  
will be the best course to pursue.

I am my dear Sir

yours very faithfully

Dear Sir

I am sorry to say I am so situated  
at the latter end of this week, that I shall  
not be able to come until Monday 18<sup>th</sup>

Mr Thorne is an old man & very  
infirm, I have not the least expectation  
of his being able to come to E —

If Mr Thorne is not able to come  
will it be of any use for Mr Lane  
to send up the Deeds to Mr Wington  
Mr Lydon is our family Attorney  
except the expense will be but little  
I must leave it to you, I shall write  
to Mr Wington on the subject  
I shall come as early as I can on  
Monday & bring the Deeds with me.  
If Mr Lane coming will do, so let  
it be if you please

I am yours Respectfully

Dear Robert

The object of Mr. Frost in disposing of all his property by a deed of gift in his lifetime can be effected, and I should recommend a Trustee being appointed (one of the family will do) though that is not essential. The whole expense will not exceed six Guineas duty included. I cannot answer the other part of the question as to debts, mortgages, &c. without making some inquiry of Mr. Frost as to the business. I shall be over to Colchester in a few days & shall have an opportunity of seeing him.

See aty Treve  
It has declared and laid the damages  
at £200.

Yours truly  
W. D. Robert
