LEGENDS OF HOLLYWOOD

John Wayne (1907-1979) played many memorable roles during his 50-year career, but he is perhaps best known for characters exhibiting the rugged individualism associated with the American cowboy. He won an Academy Award for his role as Rooster Cogburn, the one-eyed marshal in *True Grit* (1969). In an effort to continue John Wayne's fight against cancer, the John Wayne Foundation was established in his memory.
