Hommage à Gary Cooper.

**LEGENDS OF HOLLYWOOD**

Actor Gary Cooper (1901-1961) started his movie career working as an extra in Westerns, and eventually went on to play the all-American hero in many classic films. His ability to "become" the characters he was playing made it easy for audiences to forget he was acting. His subtle and naturalistic style helped him win Academy Awards for his performances in *Sergeant York* (1941) and the highly respected Western *High Noon* (1952).
