James Stewart

LEGENDS OF HOLLYWOOD

Actor James Stewart (1908-1997) is remembered as the hero in classic American movies such as *Mr. Smith Goes to Washington* (1939), *The Philadelphia Story* (1940), and *Rear Window* (1954). His naturalistic acting style, lanky physique, and slow, drawling speech made him seem more "real" than other movie stars, though his performances were in fact carefully planned. His numerous films include *Destry Rides Again* (1939), *Harvey* (1950), *The Glenn Miller Story* (1954), and a sentimental holiday favorite, *It's a Wonderful Life* (1946).
